

**CITY OF MT. PLEASANT – WASTEWATER PLANT
2010 TRAILER MOUNTED DIESEL POWERED
PORTABLE GENERATOR BID**

BID SPECIFICATIONS

Definitions:

The following definitions shall apply in this Specification:

Purchaser - The City of Mt. Pleasant, henceforth known as the Owner.

Vendor - The party that supplies the equipment and provides hardware, and related services.

Project Overview:

The City of Mt. Pleasant – Wastewater Treatment Plant is seeking bids to purchase a trailer mounted, diesel powered portable generator. The City of Mt. Pleasant is committed to purchasing equipment that is energy efficient and that will provide the lowest life-cycle costs. The successful bidder will provide equipment that meets or exceeds the following minimum requirements.

Equipment Specifications:

The Vendor shall provide the generator with the following specifications:

- 1) 20 KW/25 KVA
- 2) Selectable voltage: 120, 208, 240 or 480
- 3) Battery charger and block heated installed
- 4) 50 feet of cable with Appleton male connector, catalog number AP20044 ERS, 200 amps, 600 volts AC to match existing lift station connections.
- 5) Fuel tank sized for a minimum 24-hour run-time at full load
- 6) Trailer supplied with Pintle hitch, all DOT required lighting and reflectors
- 7) Control panel will include meters for engine temperature, oil pressure, voltage, amperage, and hour-meter. The control panel should also include a potentiometer to adjust voltage.
- 8) Bid price shall include delivery, set-up and start-up at our location.

- 9) The successful bidder will supply three (3) copies of as-built drawings, a list of recommended spare parts and tools, and O&M manual(s).
- 10) Generator shall be warranted by the manufacturer for a minimum of one (1) year from the date the equipment is placed into service.

Basis of Award:

The Owner reserves the right to accept or reject any or all bids, to waive any irregularities in the bids, and to select the bid(s) considered most advantageous to the City. The successful bidder shall complete all bid package documentation.

Bid Due Date:

Tuesday, July 27, 2010 at 1:30 p.m. Bids shall be clearly marked "2010 Wastewater Treatment Plant Portable Generator – July 27, 2010" and send to the City of Mt. Pleasant, Office of the City Clerk, 320 West Broadway Street, Mt. Pleasant, Michigan 48858.

Date of Award:

August 9, 2010

Assignments:

The Vendor agrees not to assign or transfer this contract or any part thereof without the written consent of the Owner. Any unauthorized assignment may subject the Vendor to immediate termination.

Errors / Omissions / Discrepancies:

Any errors, omissions, or discrepancies in this Specification discovered by the Vendor and/or service provider shall be brought to the attention of Steve Hein, Supervisor, Wastewater Treatment Plant, at (989) 779-5451 as soon after discovery as possible. Further, the Vendor shall not be allowed to take advantage of errors, omissions, or discrepancies in the Specification.

Default:

Default is defined as the failure of the Vendor to fulfill the obligations of the Contract, including but not limited to: failure to deliver on time, or the unauthorized substitution of articles other than those approved through the submittal process; or failure to deliver specified services. If continued abuse or any or all of the above conditions persist, the Owner will notify the Vendor in writing. The Vendor will be given ten days to

correct this "Default" condition. Failure to do so within the specified period will result in the Owner canceling the Contract and procuring the articles or services from other sources and hold the Vendor responsible for any excess cost occasioned thereby.

Termination:

The Owner reserves the right to terminate the Agreement with the Vendor for cause, without any liability, upon 10 days notice from the Director of Public Works or his authorized representative, (See Default above).

Indemnification:

The Vendor agrees to defend, indemnify and hold harmless the Owner, its employees and agents from all claims and lawsuits arising out of its performance of this Contract.

Additional Information:

Bidders may contact Steve Hein, Wastewater Plant Supervisor, at (989) 779-5451 or shein@mt-pleasant.org for additional or detailed information beyond that contained in this Specification.

* Alternate Bid
 [2010 WWTP Trailer Mounted Diesel Generator]

City of Mt. Pleasant, Michigan
INSTRUCTIONS TO BIDDERS

1. **Proposals**

Proposals must be made upon the forms provided therefore, with the Bid amount both written and shown in figures, and all other data required submitted.

The Proposal, bound together with all Proposal Documents, must be enclosed in a sealed envelope marked as specified in the Notice to Bidders for such Bid and clearly indicating the name and address of the Bidder and must be received by the City Clerk, City Hall, 320 West Broadway Street, Mt. Pleasant, Michigan 48858, no later than the time and date specified in the Notice to Bidders. At such specified time, Proposals shall be publicly opened and read aloud.

2. **Basis of Proposals**

Proposals are solicited on the basis of unit price(s) and/or lump sum(s), as specified on the Proposal form.

The City of Mt. Pleasant (also referred to as "Owner"), reserves the right to accept any Bid, to reject any or all Bids, to waive any irregularities in the Bids, and to select the Bid considered most advantageous to the city.

3. **Comparison of Bids**

In comparing Bids, consideration shall be given to the time proposed for completion of the Contract, qualifications of Bidder, price differentials, alternate Proposals for the alternate items listed in the Proposal (if applicable), and any other pertinent factors. **The City of Mt. Pleasant grants a preference to businesses located within the Mt. Pleasant City Limits. The preference given is a differential above the low bid if the low bid is not from a City of Mt. Pleasant bidder. The differential allowed is 3% of the total for bids between \$5,000 and \$9,999 and 2% of the total for bids over \$10,000. The maximum credit allowed is \$1500.00.** The Owner reserves the right to make an award to the Bidder whose Proposal is deemed to be in the best interest of the Owner.

4. **Time**

Time is of the essence in the performance of the Contract, and each Bidder, by submitting a Proposal, certifies his/her acceptance of the time allowed by the Contract for the completion of the work specified.

5. **Indemnification**

The Contractor shall save and hold harmless the city and its employees from and against all claims, damages, losses, or expenses, including attorney's fees, arising out of or resulting from the performance of the work; provided that any such claim, damage, loss or expense is caused in whole or in part by any negligent or willful act of omission of the contractor, subcontractor, employee, or anyone under their direction. The Contractor shall at his/her own expense, defend any and all such actions and shall pay all attorney's fees, costs, and expenses pertaining thereto.

6. **Bid Deposits**

Each Proposal shall be accompanied by a certified check, or a Bid Bond by a recognized Surety Company similar to a U. S. Government Standard Form Bid Bond, in the amount of five percent (5%) of the total amount of the Bid, made payable to the City of Mt. Pleasant, subject to forfeiture to the Owner in the event of failure on the part of the successful Bidder to enter into the attached form of agreement to do the work specified by said Proposal at the price and within the time stated therein. The Bid Deposit of all Bidders, except the three (3) lowest acceptable Bidders, shall be returned within two (2) weeks after opening of bids. The bid deposits of the three (3) lowest acceptable bidders shall be returned within 48 hours after the executed Contract(s) have been finally approved by the Owner.

7. **Liquidated Damages**

A liquidated damage clause, as given in the Contract form, provides that the Contractor shall pay the Owner as liquidated damages, and not as a penalty, the amount indicated in the Proposal for each and every calendar day that the Contractor may be in default of substantial completion of the work required under said Contract.

8. **Insurance and Bonds**

The successful Bidder will be required to execute (2) Bonds, in the form attached hereto, with Surety acceptable to the Owner and insurance, as follows:

- a. Bond in the amount of 100% of the Estimated Contract Price running to the City of Mt. Pleasant, Michigan, to insure the completion of the entire work, according to the statutes of the State of Michigan in effect at that time.
- b. Bond in the amount of 100% of the Estimated Contract Price running to the People of the State of Michigan for the protection of Subcontractors and Labor and Material Men, according to the statutes of the State of Michigan in effect at that time.
- c. Insurance in the amounts required by City Ordinance as specified in the Section 1 - General Construction Specifications, attached hereto.

The successful bidder shall be required to furnish for each set of executed Contract Documents, and conformed copies thereof, an original conformed Performance Bond, Labor and Materials Bond, Maintenance Bond, and Insurance Certificates.

9. **Permits and Local Codes**

The Owner shall procure the required permits for municipal sanitary sewer construction, municipal water system construction, and soil erosion control.

The Contractor shall obtain, at his/her expense, all other required local construction permits and shall comply with local building code and inspection requirements.

10. **Qualifications of Bidders**

It is the intent of the Owner to award the Contract to a Bidder fully capable, both financially and with regard to experience, to perform and complete all work in a satisfactory and timely manner. Evidence of such competency must be furnished on the forms included in the proposal, listing projects of similar difficulty, scope of work, and size, which the Bidder has satisfactorily undertaken and completed.

It is the intention of the City to award the contract to a Contractor whose ability and financial resources are fully equal to the task of performing the work in a satisfactory manner. With this in view, the Proposal calls for at least five (5) references, using specific names of persons to contact concerning the Contractor's ability to do this particular class of work. References from municipalities are preferred. The mere ability to furnish a Performance Bond shall not be accepted as sufficient evidence of responsibility on the part of the Bidder. The Bidder may also be required to furnish evidence of his current financial status.

11. **Interpretation of Documents**

If any Bidder is in doubt as to the true meaning of any part of the Plans, Specifications or any Contract Document, he/she may submit to the Owner a written request for an interpretation thereof. Any interpretation made in response to such a query shall be made only by Addendum, duly issued, and a copy of such Addendum shall be mailed or duly delivered to each prospective Bidder. The Owner shall not be responsible for any other explanation or interpretation of the Contract Documents. Alternative proposals that are suggested by bidders will be given consideration, if presented before the bid opening. If accepted, an addendum will be issued and sent out to all potential bidders, so that they may bid on the alternatives that have been identified.

12. **Execution of Bid Proposal**

A Bid Proposal, which is not signed by the individual making it, should have attached thereto a Power of Attorney evidencing authority to sign the Bid Proposal in the name of the person for whom it is signed.

A Bid Proposal, which is signed by a partnership, shall be signed by all of the partners or by an Attorney-in-Fact. If signed by an Attorney-in-Fact, there should be attached to the Bid a Power of Attorney evidencing authority to sign the Bid Proposal in the name of the partnership and such Power of Attorney shall be signed by all partners of the partnership.

A Bid Proposal, which is signed for a corporation, should have the correct corporate name thereof and the signature of the President, or other authorized officer(s) of the corporation, manually written below the corporate name and on the line indicating "By:_____." If such a Bid Proposal is manually signed by an officer other than the President of the corporation, a certified copy of a Resolution of the Board of Directors evidencing the authority of such officer(s) to sign the Bid Proposal should be attached thereto. Such a Bid Proposal should also bear the attested signature of the Secretary of the corporation and an impression of the corporate seal.

13. **Execution of Contract**

The successful Bidder to whom an award is made shall be required to enter into a written agreement, in the form attached hereto, within ten (10) days after receipt of a Notice of Award and copies of the documents to be executed. In the event the successful Bidder fails to comply with this provision, he/she may be considered by the Owner to have abandoned all his/her rights and interests in the award and his/her certified check or amount of the Bid Bond may be declared to be forfeited to the Owner, and the Contract may be awarded to another.

14. **Bidder Responsibility For Conditions of Work and Site**

The Bidder, or his/her representative, shall make personal investigation of the site of work and of existing structures and shall determine to his/her own satisfaction the conditions to be encountered, the nature of the ground, the difficulties involved in making connections to existing structures and pipes, and any and all other factors affecting the work proposed under the Contract.

The Bidder to whom the Contract is awarded shall not be entitled to any additional compensation by reason of conditions being different from those anticipated or by reason of his/her failure to fully acquaint himself/herself with the conditions at the site affecting the work of the Contract.

15. **Changes in Work**

If any change is required to be made in the work of the Contract, a payment adjustment therefore shall be determined as specified in the "TECHNICAL SPECIFICATIONS, Section 1 - General Construction Specifications" of the Contract.

Revised: February 2006

**CITY OF MT. PLEASANT – WASTEWATER PLANT
2010 TRAILER MOUNTED DIESEL POWERED
PORTABLE GENERATOR BID**

BID SPECIFICATIONS

Definitions:

The following definitions shall apply in this Specification:

Purchaser - The City of Mt. Pleasant, henceforth known as the Owner.

Vendor - The party that supplies the equipment and provides hardware, and related services.

Project Overview:

The City of Mt. Pleasant – Wastewater Treatment Plant is seeking bids to purchase a trailer mounted, diesel powered portable generator. The City of Mt. Pleasant is committed to purchasing equipment that is energy efficient and that will provide the lowest life-cycle costs. The successful bidder will provide equipment that meets or exceeds the following minimum requirements.

Equipment Specifications:

The Vendor shall provide the generator with the following specifications:

- 1) 20 KW/25 KVA
- 2) Selectable voltage: 120, 208, 240 or 480
- 3) Battery charger and block heated installed
- 4) 50 feet of cable with Appleton male connector, catalog number AP20044 ERS, 200 amps, 600 volts AC to match existing lift station connections.
- 5) Fuel tank sized for a minimum 24-hour run-time at full load
- 6) Trailer supplied with Pintle hitch, all DOT required lighting and reflectors
- 7) Control panel will include meters for engine temperature, oil pressure, voltage, amperage, and hour-meter. The control panel should also include a potentiometer to adjust voltage.
- 8) Bid price shall include delivery, set-up and start-up at our location.

- 9) The successful bidder will supply three (3) copies of as-built drawings, a list of recommended spare parts and tools, and O&M manual(s).
- 10) Generator shall be warranted by the manufacturer for a minimum of one (1) year from the date the equipment is placed into service.

Basis of Award:

The Owner reserves the right to accept or reject any or all bids, to waive any irregularities in the bids, and to select the bid(s) considered most advantageous to the City. The successful bidder shall complete all bid package documentation.

Bid Due Date:

Tuesday, July 27, 2010 at 1:30 p.m. Bids shall be clearly marked "2010 Wastewater Treatment Plant Portable Generator – July 27, 2010" and send to the City of Mt. Pleasant, Office of the City Clerk, 320 West Broadway Street, Mt. Pleasant, Michigan 48858.

Date of Award:

August 9, 2010

Assignments:

The Vendor agrees not to assign or transfer this contract or any part thereof without the written consent of the Owner. Any unauthorized assignment may subject the Vendor to immediate termination.

Errors / Omissions / Discrepancies:

Any errors, omissions, or discrepancies in this Specification discovered by the Vendor and/or service provider shall be brought to the attention of Steve Hein, Supervisor, Wastewater Treatment Plant, at (989) 779-5451 as soon after discovery as possible. Further, the Vendor shall not be allowed to take advantage of errors, omissions, or discrepancies in the Specification.

Default:

Default is defined as the failure of the Vendor to fulfill the obligations of the Contract, including but not limited to: failure to deliver on time, or the unauthorized substitution of articles other than those approved through the submittal process; or failure to deliver specified services. If continued abuse or any or all of the above conditions persist, the Owner will notify the Vendor in writing. The Vendor will be given ten days to

correct this "Default" condition. Failure to do so within the specified period will result in the Owner canceling the Contract and procuring the articles or services from other sources and hold the Vendor responsible for any excess cost occasioned thereby.

Termination:

The Owner reserves the right to terminate the Agreement with the Vendor for cause, without any liability, upon 10 days notice from the Director of Public Works or his authorized representative, (See Default above).

Indemnification:

The Vendor agrees to defend, indemnify and hold harmless the Owner, its employees and agents from all claims and lawsuits arising out of its performance of this Contract.

Additional Information:

Bidders may contact Steve Hein, Wastewater Plant Supervisor, at (989) 779-5451 or shein@mt-pleasant.org for additional or detailed information beyond that contained in this Specification.
