Bid Date: September 1, 2015

Time: 1:30 p.m.

Opening: Office of City Clerk
City Hall
320 W. Broadway St.
Mt. Pleasant, MI 48858

Addendum Issued By: Parks Department

Date Issued: August 27, 2015

Intent: 1. Clarify Pre-Bid Questions
2. Add Alternate #2 surface mount column base covers

CLARIFICATIONS:

1. Many of the interested bidders commented that manufacturers lead time on the shelter delivery may likely be more than the bid time allotted to successfully complete the project as outlined in the bid documents. The question was “how does that affect the liquidated damages portion of the bid?”
 - a. The City is interested in completing the shelter project within this construction season. All bidders are asked to submit anticipated times for manufacturer delivery of the shelters and proposed completion time for the project. This will be one consideration in award of the bid. The City is willing to work with the successful bidder to adjust the final schedule to complete the project within an agreed upon timeline. Once an updated timeline is established by the City and bidder, liquidated damages will apply to the updated schedule to assure successful project completion. See item 17 in updated bid form published with this addendum.

BID ALTERNATE ADDITION:

1. Alternate #2 addition- If available, all bidders are asked to provide a price to furnish and install column base covers for surface mount columns for all shelter columns. Please include drawing or photo if available. Please see updated bid form published with this addendum.
