field and specified by the Owner. Contractor will be allowed to use the native soil as backfill for the plantings. All newly planted trees, shrubs, and perennials shall be surrounded with a shredded mulch ring per the attached details. Trees shall be staked and guyed per the attached details. Maps showing the locations of the plantings are included with this bid package. All planting shall be completed by May 31, 2017. Contractor to include with their bid 3,600 syd of restoration (hydroseed containing paper mulch, tackifier, seed, fertilizer, and water) within the bid item "Cleanup and Restoration". In advance of the restoration work the City of Mt. Pleasant will prepare the topsoil within the four large areas to be hydroseeded. All areas are located in Chip-A-Waters park along the river and are accessible from the paved pathway.

3. Bid

The undersigned Bidder proposes and agrees, if this bid is accepted by the Owner, to enter into an agreement to perform all work as described or specified.

The Bidder has examined and carefully studied the proposed work. The Bidder acknowledges the following Addenda as listed on the city's website www.mt-pleasant.org/Bids for this project.

Addendum No.	Addendum Date
