Mt. Pleasant Fire Department responds to structure fire - 2668 Ivy Lane

Mt. Pleasant, Mich. - On August 21, 2019 at 3:11 a.m. the Mt. Pleasant Fire Department responded to a structure fire at 2668 Ivy Lane in the Crossings Mobile Home Park. Firefighters arrived on scene and observed heavy smoke and fire coming from the rear of the structure. The occupant of the residence was home at the time of the fire and made it out of the structure safely.

The modular home and its contents received heavy fire, smoke and water damage. The Mount Pleasant Fire Department is currently conducting an investigation to determine the cause of the fire. No injuries were reported.

The Mt. Pleasant Fire Dept. was assisted by the Isabella County Sheriff's Department, Saginaw Chippewa Tribal Fire Department, Shepherd Tri Township Fire Department, Deerfield Fire Department and Mobile Medical Response.

Most home fires occur at night when people are sleeping. Check your smoke detectors monthly and replace your batteries twice a year. Operating smoke detectors may save your life.
