ISLAND PARK
PLAYSCAPE
COMMUNITY
DESIGN DAY

The community is preparing to replace TimberTown Playscape at Island Park in Mt. Pleasant, and we need the help of some area experts – **your kids!**

On May 4 and 5, playground designers will visit various elementary schools during the day to gather ideas from children to help create the playground of their dreams.

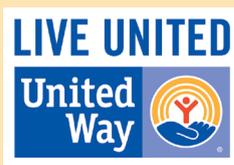

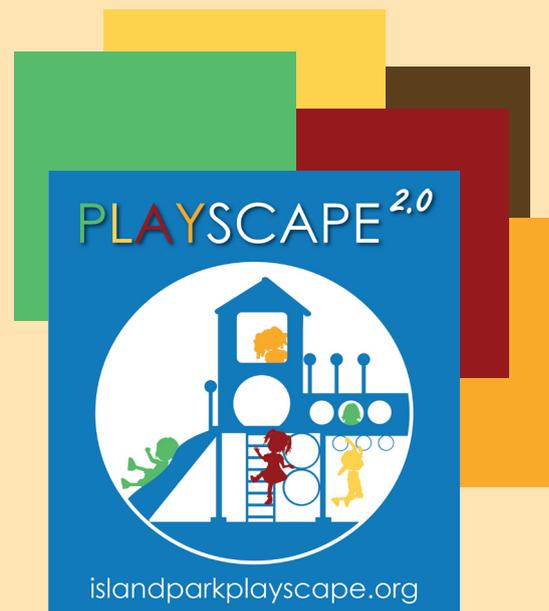

In addition, a community-wide design night is scheduled for **7 p.m. on Thursday, May 5, at Veterans Memorial Library**. Kids of all ages and their families are invited to attend and share their vision for the project.
