FOR IMMEDIATE RELEASE

Oct. 2, 2017

Applications for City boards and commissions accepted through Oct. 23

MT. PLEASANT, Mich. – Community members interested in serving on any of the City’s boards and commissions should apply by Oct. 23. Qualified electors may submit their name or the name of another for consideration.

“We accept applications for all of the City’s boards and commissions throughout the year,” said City Manager Nancy Ridley. “However, each fall, we encourage community members to apply so the Appointments Committee has the information of potential candidates readily available to review if partial-term vacancies occur.”

Applications are available online or at the City Manager’s Office, located at 320 W. Broadway. For more information, visit www.mt-pleasant.org.
