City to implement trash pickup program for large items

MT. PLEASANT, Mich. – In January 2016, the City of Mt. Pleasant will launch the Large Item Pickup Program. Through the purchase of a sticker issued by the City, residents can place large discarded items at their City trash collection site for disposal. Items must be ready for pickup by 7:30 a.m. on their City trash collection day.

Residents who don't receive City trash collection services (City bag or tag) must leave items curbside by 7:30 a.m. on the designated City trash collection day for their area of residence. City trash collection days based on location can be found at www.mt-pleasant.org/largeitempickup.

Stickers are \$15 each and will be available for purchase at City Hall, the Division of Public Works office or from a code enforcement officer.
