## **Robbery Suspect Arrested**

For Immediate Release

MT. PLEASANT, Mich. March 3, 2015 – Mt. Pleasant police officers responded to a robbery at about 3:40 a.m., Feb. 27 at the 7-11 store, 2397 S. Mission Street. Police gathered evidence and interviewed the night clerk, who was able to provide a detailed description of the suspect and his vehicle, which was shared with other law enforcement agencies.

A short time later, a deputy from the Gratiot County Sheriff's Department stopped a vehicle matching the description of the robbery suspect and arrested Abdullah Ahmed A Dubis, a 21 yr old Mt. Pleasant man, on unrelated charges.

Investigators believe Dubis entered the 7-11 and demanded money with his hand in a bag, claiming he had a weapon; however, a weapon was never seen or recovered. Dubis then fled in his dark colored four-door sedan south on US-127 and attempted to dispose of evidence by throwing it onto the freeway. The evidence was later recovered by officers from the Mt. Pleasant Police Department.

Dubis was arraigned today on a two count felony warrant; one count of Robbery-Armed and one count of Robbery-Unarmed. Dubis is currently being held at the Isabella County Jail on a one million dollar bond awaiting trial.
