**November 16, 2015**  
**For Immediate Release**

## **City seeks input on mosquito control for 2016**

**Mt. Pleasant, Mich.** – The City of Mt. Pleasant is seeking feedback from the public on the decision to implement a mosquito control program within City limits during 2016. The mosquito control program would include placing briquets in storm drains as well as spraying via trucks. A public hearing is scheduled for Nov. 23 at 7 p.m. at City Hall.

In September 2015, APM Mosquito Control submitted the sole bid proposal for this project, offering the service for \$85,221.00. Bids were solicited for both the City and the Charter Township of Union and the Union Township Board of Trustees decided not to pursue the service for 2016.

If the City Commission chooses to pursue a contract for 2016, existing funds could be utilized and a millage adjustment would not be necessary.

All interested persons may attend and participate. Views may also be submitted in writing to [manager@mt-pleasant.org](mailto:manager@mt-pleasant.org) or:

City of Mt. Pleasant  
Attn: City Manager  
320 W. Broadway  
Mt. Pleasant, MI 48858
