### **Community invited to reception for City's new public safety director**

**MT. PLEASANT, Mich.** – The community is invited to attend a public reception welcoming Paul Lauria as the City of Mt. Pleasant's next director of public safety and police chief. The event will take place at City Hall on Monday, Feb. 13, from 3 to 6:30 p.m.

Lauria began his career with the City of Mt. Pleasant as a patrol officer nearly 20 years ago. Since then, his skills and dedication propelled him through the ranks of the police department, serving as a detective, lieutenant and most recently, captain. Lauria will succeed longtime public safety leader Glenn Feldhauser after his retirement this month.
