Traffic stop leads to multiple arrests

MT. PLEASANT, Mich. – On Jan. 22, 2017, an officer conducted a traffic stop on a vehicle driven by a 30-year-old Farwell man identified as Adam Dysinger. Dysinger had a restricted driver's license and did not have insurance for the vehicle. Dysinger was taken into custody for driving with a restricted license and operating a vehicle without insurance. During a pat down, an officer found three needles in Dysinger's possession.

The officer made contact with one of the passengers of the vehicle, 39-year-old Donald Halicek. Halicek was intoxicated and on parole. He was taken into custody for the parole violation. While conducting a pat down of Halicek, an officer found a plastic bottle containing approximately eight grams of a white powdery substance, which was later determined to be heroin.

The rear seat passenger of the vehicle was on parole and intoxicated as well. This subject was also arrested for the parole violation.

Both Dysinger and Halicek were lodged at the Isabella County Jail. Dysinger was arraigned today on charges of Motor Vehicle-operating without security (Misdemeanor 1 year); and Operating-violation of license restrictions (Misdemeanor 90 days). Bond was set at \$30,000/ten percent. Halicek was arraigned today on charges of Controlled Substance-possession-second offense notice (Felony 8 year); and Prison-bringing contraband into (Felony 5 year). Bond was set at \$50,000/ten percent. Both Halicek and Dysinger remain lodged at the Isabella County Sheriff's Department.
