In 2014, the City of Mt. Pleasant developed a multi-year plan to address the history of violations and increasing tension among residents in the neighborhood north of Central Michigan University's campus where owner-occupied properties and student rentals are intermingled. To decrease disruptive behavior and improve relationships between the full- and part-year residents, City officials have worked to improve partnerships with local landlords, CMU and its students, as well as enforce ordinances on a more consistent basis.

“We are proud to be home to Central Michigan University. The students are a great asset to our community and the energy and diversity they bring strengthens the City as a whole,” said Mt. Pleasant City Manager Nancy Ridley. “The students are also City residents, and all residents are expected to uphold our community standards, which include respecting your neighbors and taking care of each other to ensure Mt. Pleasant continues to be a safe and desirable place to live and visit.”

The Mt. Pleasant Police Department and Mt. Pleasant Fire Department were assisted by the Central Michigan University Police Department, Alma Police Department, Ferris State University Police, Big Rapids Police Department, Mecosta County Sheriff’s Department, Saint Louis Police Department, Gratiot County Sheriff’s Department, Midland Police Department, Midland County Sheriff’s Department and Michigan State Police.
