- For those with overnight parking permits, City parking lots 1-6 have designated areas where overnight parking is allowed when complying with the following conditions:
 - On even days of the month (2nd, 4th, etc.), overnight parking permit holders must park in the areas of these lots designated “even.” On odd days of the month (1st, 3rd, etc.), permit holders must park their vehicles in the lot areas designated “odd.”
 - For lots 1, 2, 4, 5 and 6, enforcement hours are 4 – 6 a.m.
