MT. PLEASANT, Mich. April 20, 2016 – At approximately 9:10 a.m. on April 19, officers were dispatched to the Fairfield Inn for a weapons complaint. Officers made contact with the Fairfield Inn manager who stated a guest accidentally discharged a firearm in her room. The guest – a 50-year-old Shelby Township woman – possessed a valid concealed pistol license.

The woman stated she placed her weapon on a dresser next to the television. When she picked up the firearm, the weapon discharged, striking the TV and lodged in the wall. Nobody was injured in this incident.
