Prescription Drug Drop Off

For Immediate Release

On May 28, 2015, the Isabella County Commission on Aging, along with the Mt. Pleasant Police Department and the Saginaw Chippewa Tribal Police Department, hosted a Prescription Drug Drop Off event. This collection allowed residents to drop off unwanted or outdated prescription medication ensuring that the prescriptions were disposed of in a safe manner. It also kept the drugs out of the hands of people who would misuse them as well as keeping them from entering landfills and groundwater.

A total of 11 pounds of pills were collected during the course of the day. Thank you to the partners for this event and to the public for helping keep our community safe and healthy.
