FOR IMMEDIATE RELEASE

Nov. 22, 2017

Final citywide leaf collection scheduled for Monday, Nov. 27

MT. PLEASANT, Mich. – City Street Department crews will begin the final collection of leaves on Monday, Nov. 27. Please rake leaves into the street before 7:30 a.m. on Monday, Nov. 27, as only one sweep will be made through the City.

Leaves left in the street after crews have made their final pass will not be collected and are the responsibility of the homeowner.

Please rake leaves in low piles into the gutter and avoid covering catch basins. To prevent causing a traffic obstruction, do not place the leaf piles too far out into the street. On High and Pickard streets - where traffic prohibits leaves in the gutter - leaves may be piled on the rights-of-way between the curb and sidewalk.

In uncurbed areas, leaves should be raked into the streets along the street shoulders. Yard waste bags cannot be used.

Questions? Contact DPW at (989) 779-5401.
