Roadwork along portions of Three Leaves and Denison to begin June 19

MT. PLEASANT, Mich. – Beginning June 19, construction work will begin along Three Leaves Drive from Deerfield Road to Denison Drive, and along Denison from Three Leaves to West Campus Drive. The roads within the project limits will be closed to through traffic. Motorists are asked to seek alternate routes. Access for local traffic will be maintained.

Crews will crush, shape and repave the roads, as well as apply markings for two lanes of traffic and dedicated on-street bike lanes. Crosswalk signs and markings will also be added at the two trail crossings along the project route.

Work will be complete by July 7.

The weekly “Food Truck Fridays” on Denison Drive, presented by Central Michigan University Research Corporation (CMURC), will occur as planned.
