**FOR IMMEDIATE RELEASE**  
**Jan. 8, 2017**

### **Christmas tree collection continues through Jan. 12**

**MT. PLEASANT, Mich.** – The City is reminding residents they may place their discarded Christmas trees curbside for collection through Jan. 12, 2018. Trees will be collected on weekdays and the service is free of charge. **To ensure collection, please place tree curbside by 7 a.m. on Friday, Jan. 12.**

Trees will only be collected at curbside; this includes areas where normal trash collection is in the alley. Please remove plastic bags and tinsel, and face the base of the tree toward the street.

Tree remnants are processed through a wood chipper; wreaths cannot be processed through the chipper and will not be collected.

For more information, please call the City of Mt. Pleasant Division of Public Works at (989) 779-5401.
