Street Department

SUBJECT: No Spring Leaf Collection

As the weather turns warmer and spring yard clean-up begins, the City's Street Department would like to remind residents not to place yard waste or leaves in the street gutter or on the right-of-way. The City does not offer leaf collection services in the spring.

Residents can bag their leaves and dispose of them at the Material Recovery Facility, located at 4208 E. River Road, Mt. Pleasant. The fee for leaf disposal is \$1 per bag. Bagged leaves and yard waste should not be included with normal household refuse, as state law prohibits refuse haulers to dispose of yard waste in landfills.

The City's Street Department offers a fee-based chipping service for branches and limbs up to 12" in diameter. For more information, contact the Public Works office at 779-5401, or the City's website at http://www.mt-pleasant.org/departments/division_of_public_works/street/services_and_programs.asp.
